

Compressor Systems
Made in Germany

ALMiG Kompressoren GmbH

Air Compressors Made in Germany

REGIONAL ORIGIN.
INTERNATIONAL SOLUTIONS.
MADE IN GERMANY.

Compressor systems made in Germany

ALMiG

FACTS AND FIGURES

Origin of name:	Automatische Luftpumpen Made in Germany
Established:	1923
HQ/Production:	Köngen, Germany
Employees:	300
Revenue:	~ 55 Mio. €

INNOVATIVE REGION

Multinational group of companies

FUSHENG

FACTS AND FIGURES

Name:	FUSHENG Industrial
Establishment:	1953
Headquarter:	Taipei, Taiwan
Employees:	16.000
Revenue (2016):	~ 1 billion \$
Production facilities:	25

CVS
ENGINEERING

Diversification – three pillars of success

FUSHENG

Industrial Division (FSI)

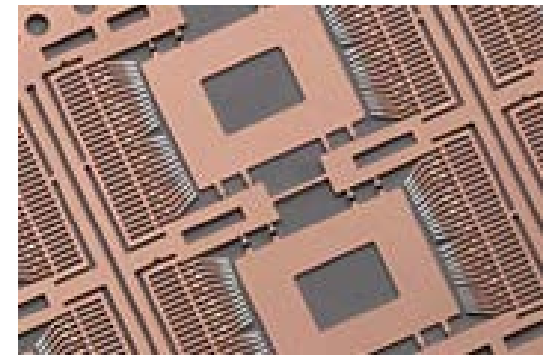

- **Leading manufacturer of compressed air system solutions**
- **Products:**
 - Compressed air solutions
 - Refrigerant compressors
 - Blower
 - Generators
- **Factories 15**
- **Employees 2,587**

Precision Products Division (FSP)

- **First-class supplier of precision casting**
- **Products:**
 - Components for aviation
 - Components for automotive and commercial industry
 - Golf clubs
- **Factories 8**
- **Employees 12,540**

Electronics Division (FSE)

- **Leading supplier of IC and LED lead frames**
- **Products:**
 - IC lead frames
 - LED lead frames
- **Factories 2**
- **Employees 1,000**

Fusheng Industrial – worldwide production sites

FUSHENG

Innovation. Quality. Efficiency.

Strategy

Our Mission

Developing high efficient products and ensuring top service to become the first choice for industrial and professional customers through outstanding innovation, productivity solutions, exceptional service and quality around the globe.

Our Vision

ALMiG being the focused market leader for all challenges in the compressed air segment

Our Strategy

- We offer our customers added value through the development of regional sales supported by our team at the site in Köngen
- We develop innovative products, increase our quality awareness and improve our processes throughout the company
- We invest in the development of our employees

Exceptional efficiency driven by intelligent solutions

Committed to values since 1923

Our Identity

Innovation

We develop outstanding innovations with energy efficient solutions

Quality

Highest standards and extensive testing guarantees constant quality over lifetime

Efficiency

Providing most efficient products and services is our motivation

ALMiG
Compressor Systems

Trust

We produce air compressors since 1923 – you can rely on ALMiG

Reliability

Top grade German engineering based on our experience ensures highest reliability of our solutions

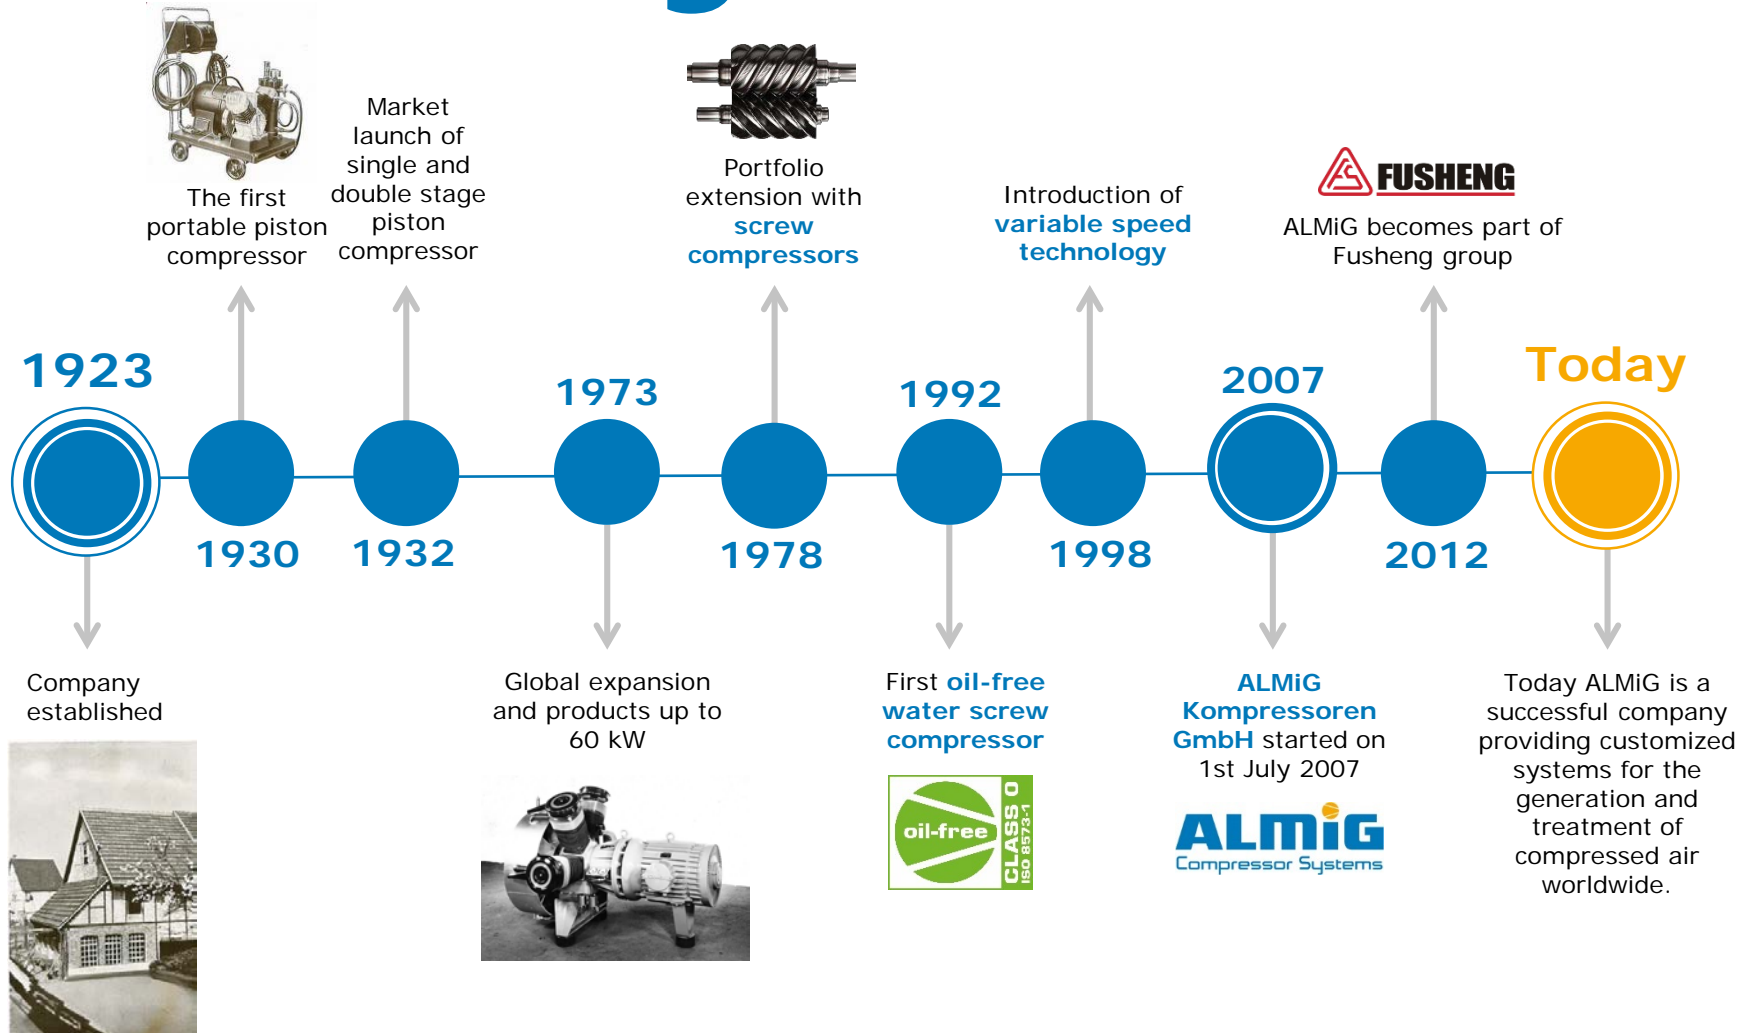

Sustainability

Every product and every action is done under careful consideration of the environment

Continuous growth for almost 100 years

History

Piston compressors

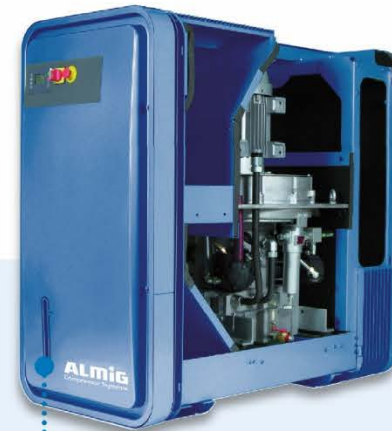

Industrial grade mobile
piston compressors

AP/AT series
1.5 - 3.8 kW

Modular systems for
industrial applications

A / A-0 series
1.5 - 3.8 kW

High-pressure up to
400 bar

HP series
7.5 - 15 kW

Products

Screw compressors

Efficient performance

G-DRIVE and V-DRIVE
30 – 75 kW

Best efficiency in class

G-DRIVET
90 – 315 kW

Plug and play

COMBI series
5,5 – 22 kW

High performance with direct drive

DIRECT series
90 – 315 kW

Powerful and flexible

BELT series
4 – 37 kW

High flowrate that packs a punch

GEAR series
90 – 500 kW

Compact, quiet and powerful

FLEX series
5,5 – 30 kW

Energy savings with SCD technology

VARIABLE series
16 – 355 kW

Class 0 oil-free compressed air

LENTO series
15 – 130 kW

Products

Oil-free compressors

Screw compressors

LENTO series
15 - 130 kW

Scroll compressors

SCROLL series
4 - 15 kW

Turbo compressors

DYNAMIC
185 - 2240 kW

Products

Air Treatment

Desiccant Dryers

ALM-CCD/CD
ALM-WD
ALM-HOC

Refrigerant Dryers

ADD
ALM

Active Carbon Adsorbers

ALM-AC

Filtration Systems

Cyclone Separator As
Prefilter AFP
Microfilter AFM
Submicrofilter AFS
Active carbon filter AFC

Condensate Management

Condensate Treatment
Condensate Drainage
Oil-Water-Separation Systems

Plug 'n flow

Compressed air piping system

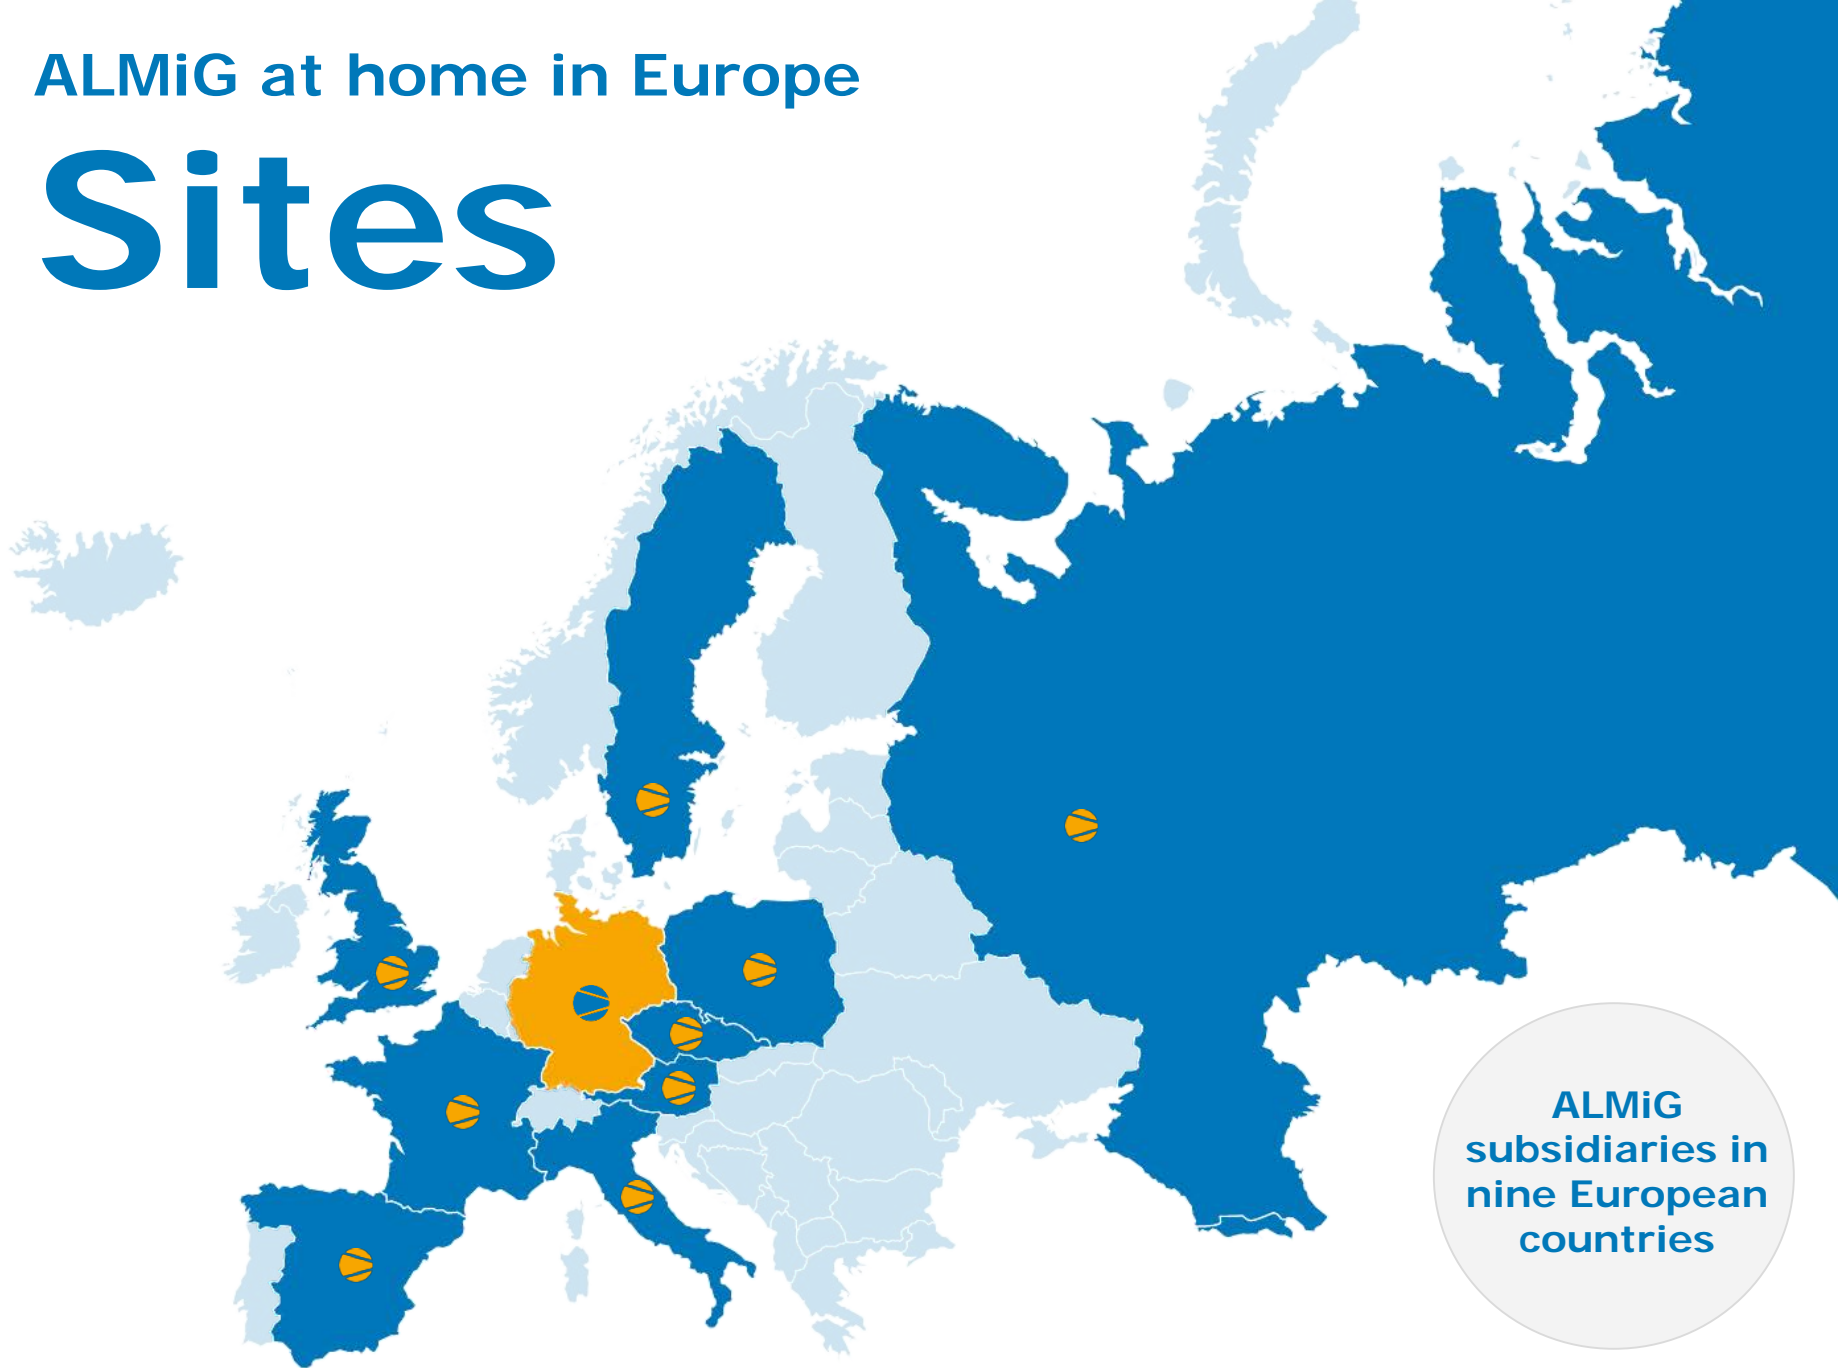

Certified among the highest standard

ALMiG Quality

ALMiG at home in Europe

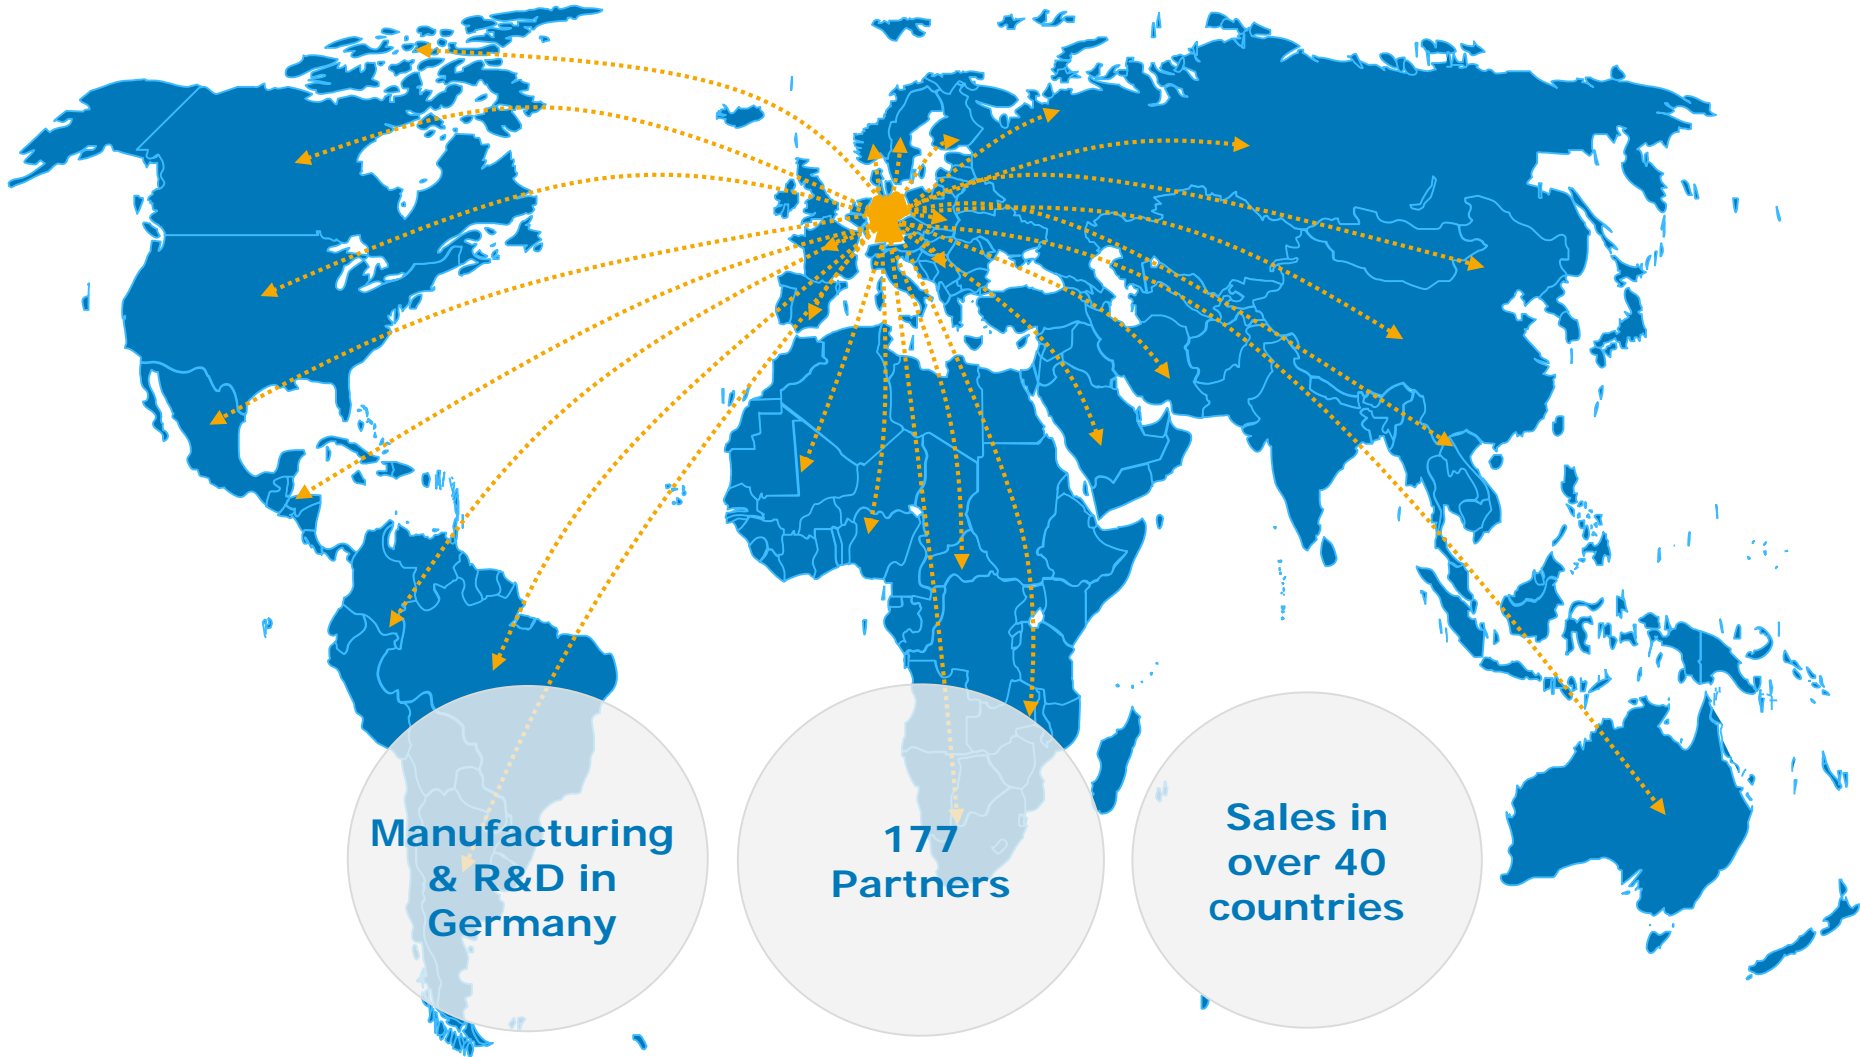

Sites

ALMiG
subsidiaries in
nine European
countries

We are close to our customers

WORLDWIDE

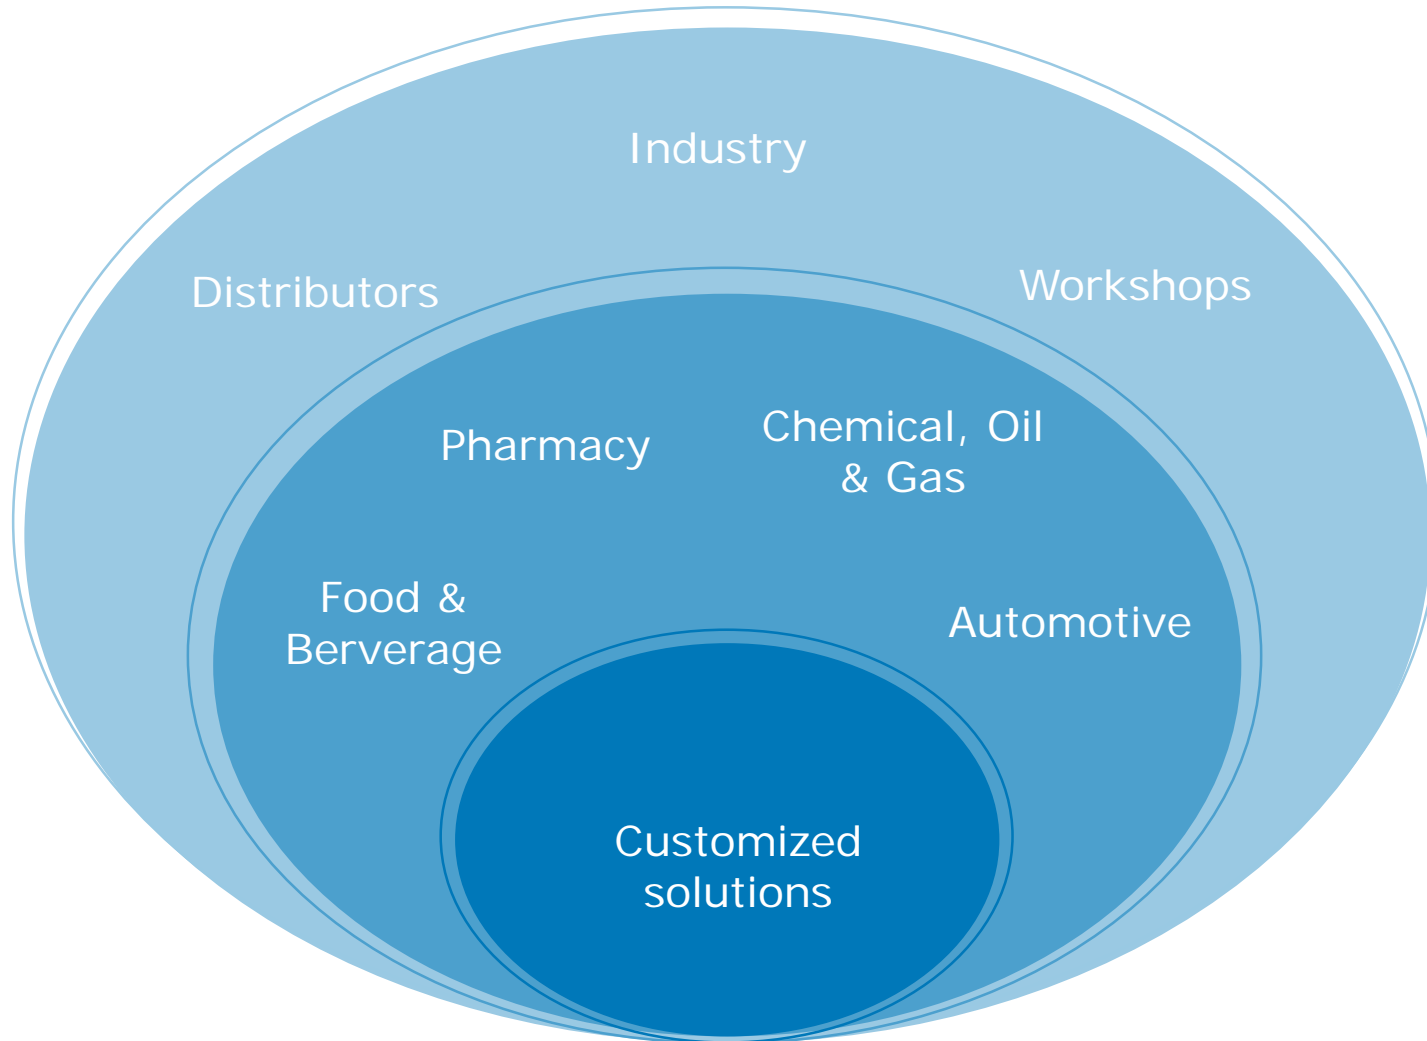

**Manufacturing
& R&D in
Germany**

**177
Partners**

**Sales in
over 40
countries**

We have solutions for all customers

Markets

Reputable customers trust in our products

References

KRONOS®

Sustainable focus on innovation

Highlights

FLEX

- Vertical alignment of motor – compressor unit
- One of the most compact variable speed screw compressors on the market

V-Drive

- ALMiG has one of the largest product portfolio of speed-controlled and direct drive screw compressors on the market

G-Drive T

- With the two stage G-Drive T series ALMiG sets new standards in energy efficiency.
- P_{spez}: 5,5 kW/m³

TURBO

Customized impellers for highest energy efficiency

EBS-System

Air Audit System for measurement and simulation

CONTROLS

- Industry 4.0 - Internetbased remote monitoring
- State of the art consumption related compressor control system for up to 10 compressors

OIL-FREE

ALMiG has one of the largest oil-free portfolio on the market with screw, piston, scroll and turbo compressors

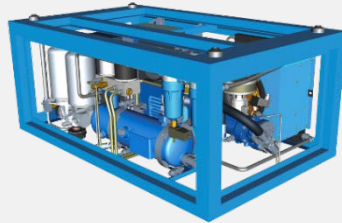

ALMiG providing individual solutions

Our products
are a perfect
fit in almost
every sector

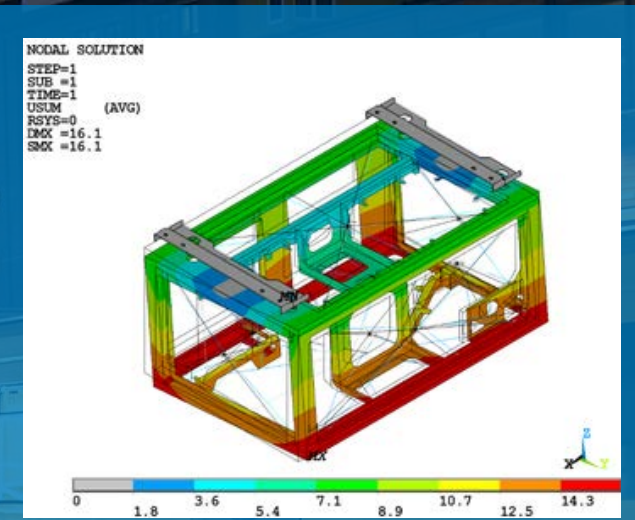

Reliable products even under harsh conditions.

Control air.
Working air.
Air lubrication.
N2 feed air.

Highest quality for maximum safety made by ALMiG.

Air for sanding.
Air suspension.
Air for brake systems.

Wide range in oil-free air for most sensitive applications.

Processing.
Packing.
Food & Beverage.
Pharma.
Electronics.

Performant compressors for almost every application.

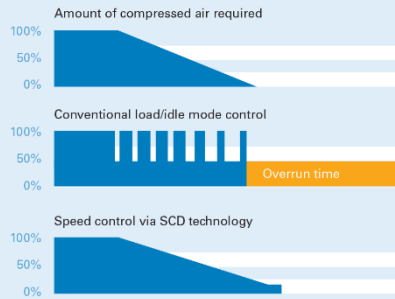

Working air.
Pneumatic
applications.
Automotive.

Energy Efficiency

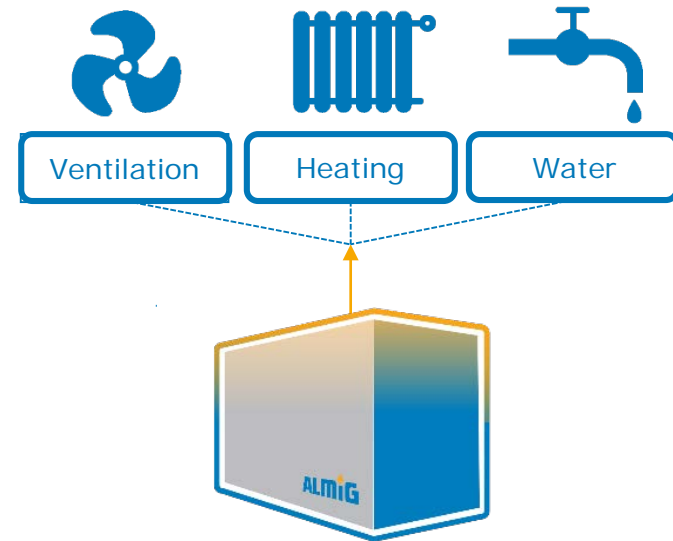

Variable speed

Saving of costs by:

- Precise adaptation of flow rate
- Reduce idle times
- Less load shedding
- Constant line pressure
- Direct drive
- Variable speed

Heat recovery

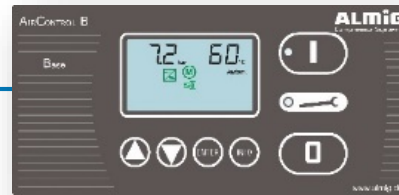

Control system

Industry 4.0 with ALMiG control technology

AIR CONTROL

Using the ALMiG AIR CONTROL you can **control, manage and monitor** your entire compressed air system.

ALMiG technical service

5 years warranty for our products

AirCare

Peace of mind with ALMiG AirCare warranty.

ALMiG AirCare includes almost all products supplied by us such as

- compressors
- heat recovery modules
- refrigeration dryers
- desiccant dryers
- oil-water separation systems
- filters

AirCare covers also:

- shipping costs
- labor for diagnosis and repair
- cost for rental equipment
